Friends of the Cape Coral Library
Feature Three Popular Artists in January Gallery

Cape Coral FL, December 27, 2007 –The Friends of the Cape Coral Library announce a new exhibit which runs throughout January. The Gallery, located at the Cape Coral Library, 921 SW 39th Terrace, off Mohawk Boulevard, is open daily from 9 a.m. to 5 p.m. Featured artist is Tom Allen.

Will George is an expressionist, photorealist with a unique sensibility. He celebrates the places people work and meet in their daily lives. In his paintings, people find reflections of their own life experiences. One avid collector says “I find a quiet oasis, a place for memories and contemplation.”

Quintin Perez, La Tertulia Society Director of Plastic Art, works as a construction worker, artist and cultural promoter. He creates a world of color, light and history. Born in tropical Mexico, that imagery is evident in his work with its vivid color palette and florid details.

Jasmine Martinson is self-taught artist with a passion for multiple arts and media. Her passion for the freedom of creativity has led to new concepts from daily life and the beauty of nature, cultures and other sources. Her art contains elements of modern, surrealism and expressionism. It can be found in Europe, Canada and throughout the U.S. She donates a large portion of her art sales to an orphanage project that she began in Haiti.
