**Feature Photography and Artful Books in March Gallery**

**Cape Coral FL, February 27, 2009** – The Friends of the Cape Coral Library announce a new exhibit which runs throughout March. The Gallery, located at the Cape Coral Library, 921 SW 39th Terrace, off Mohawk Boulevard, is open Monday through Saturday during library hours.

*Carol Orr Hartman* is driven to photograph the images of places, scenes and landscapes seen every day. She says, “As part of the whole, they are unremarkable, but isolating them through the lens into a space occupied only by them, suddenly seem to be a special place isolated in time...a place where the viewer can lose themselves in the image and find a quiet place to take a vacation in their mind.”

*Linda Riczo*, Youth Services Director at the Cape Coral Library, has gathered an unusual selection of pop-ups and moveable art books. Children and parents will be entranced by these beautiful and exciting books.
